

Registration Information 2011- 2012

Welcome to the 2011-2012 season for the Tavistock and District Minor Hockey Association (TDMHA). The next couple of pages will outline the processes for online registration and provide you with the schedules for Power Skating, Body Checking and Skills Clinics as well as the schedule for opening day.

If you have forgotten your password, click on the "Forgotten Your Password?" statement located in the "Sign in Box", and follow the instructions.

This year the TDMHA has reduced the registration costs for those players at the Pre Novice level in order to hopefully encourage more participation by making it a little more affordable. As well, this group will be receiving a dedicated ice time to help make planning a little easier and give them the opportunity to familiarize themselves with the workings of the minor hockey programs.

Upon reflection and looking at the costs associated with credit card payments, the Executive Committee felt it would be more beneficial to not incur those charges and use the savings for the betterment of the minor hockey program.

We would ask that everyone registering online to remember that in order to be considered registered you must:

- 1) Complete the online registration for each player you wish to register.
- 2) Ensure that payment is received by the TDMHA by the deadline dates outlined.

If you are having an issue with payment by the due dates, need extra time etc. please contact us at tavihockey@yahoo.ca prior to the July 31, 2011 deadline date to discuss alternatives. All discussions are kept strictly confidential.

Please continue on to the next page which outlines payment options and the schedules for Power Skating, Body Checking and Skills Clinics and Opening Day times.

The Skills Clinics are **free**, for Novice to Bantam aged players, but you must indicate that you plan to attend by answering the survey questions during the registration process.
